TALAH ALZOABI

Senior Operations and Supply Chain Management Student

Jeddah, Saudi Arabia | +966 53 930 0378 | talazoabi60@gmail.com | linkedin.com/in/talah-al-zoabi-39646228a

PROFESSIONAL SUMMARY

Senior Operations and Supply Chain Management student at Effat University and Dean's List honoree, passionate about logistics, operations and supply chain management. Brings hands-on exposure to warehouse and distribution operations from a summer internship at Flow Progressive Logistics, a co-authored IEOM conference paper on cold chain performance in Saudi Arabia, and leadership experience as Vice President of the IEOM student chapter. Strong communication, teamwork and organizational skills. Seeking a six-month co-op to contribute to real operations and gain hands-on industry experience.

EDUCATION

Bachelor of Science in Operations and Supply Chain Management 2023 – 2027 (Expected)
Effat University, Jeddah, Saudi Arabia

- **Dean's List:** Effat College of Business, 2024–2025 and 2025–2026
- **Relevant coursework:** Supply Chain Management, Operations Management, Service Operations, Project Management, Predictive Data Analytics; in progress: Sourcing, Logistics and Transportation; Quality Management

American High School Diploma, Coral International School, Jeddah 2023

EXPERIENCE

Logistics Summer Intern (not official) Jul 2026 – Aug 2026
Flow Progressive Logistics, Jeddah, Saudi Arabia

- Gained hands-on exposure to inbound and outbound operations, inventory management, order fulfillment, cross-docking, and first-, middle- and last-mile logistics across Flow's automated Distribution Center (KAEC), Jeddah Hub and Head Office.
- Reviewed warehouse utilization (pallet positions used against agreed capacity) and order-line data in Microsoft Excel with the planning team.
- Observed automated warehouse systems and supported operational planning using WMS tools, warehouse KPIs and inventory tracking.

Mentee, PwC Middle East ElevateMe Mentorship Programme Nov 2026 – Jan 2027

- Selected as a mentee in a programme bridging academia and the professional world through mentorship with PwC professionals.

Vice President Sep 2026 – Present
IEOM Society (Industrial Engineering and Operations Management) Student Chapter, Effat University

- Lead a 13-member team across nine director roles, including operations, marketing, finance and PR.
- Organize industry visits, guest speakers and educational events, and coordinate with companies to create industry engagement opportunities for students.

Content Creator, AIAS, Effat University 2026 – Present

- Create photo and video content for the club's social media and student activities with the creative team.

RESEARCH AND PROJECTS

Cold Chain Logistics Performance in Saudi Arabia: Evidence from the Pharmaceutical Industry 2026

- Co-authored paper published in the Proceedings of the 7th African IEOM Conference, Cape Town (DOI: 10.46254/AF07.20260010). Compared cold chain practices at Tamer Group and Medical Fakeeh using interviews and data logger records.

University Sports Day Challenge, Project Manager (OSCM 407) 2026

- Planned and delivered a campus event for 12 teams across 2 sessions with 8 stations and 7 volunteers, on schedule and within a SAR 1,200 budget, using a project charter, WBS, RAM, risk register and Gantt chart.

Service Operations Analysis of a Saudi 3PL Provider (OSCM 303) 2026

- Analyzed capacity, layout, service blueprint and quality; applied SWOT, DMAIC and FMEA to product damage.

SKILLS AND LANGUAGES

- **Operations:** Inventory management, warehouse operations, WMS tools, warehouse KPIs, order fulfillment, cross-docking, cold chain logistics
- **Methods:** DMAIC, FMEA, SWOT, WBS, RAM, Gantt charts, risk assessment, FIFO stock rotation
